This section is referred to in sections 1422, 1427 of this title.

§ 1422b. Powers and duties**(a) General powers**

The Board shall have the following powers:

(1) To supervise the Federal Home Loan Banks and to promulgate and enforce such regulations and orders as are necessary from time to time to carry out the provisions of this chapter.

(2) To suspend or remove for cause a director, officer, employee, or agent of any Federal Home Loan Bank or joint office. The cause of such suspension or removal shall be communicated in writing to such director, officer, employee, or agent and to such Bank or joint office. Notwithstanding any other provision of this chapter, no officer, employee, or agent of a Bank or joint office shall be a Federal officer or employee under any definition of either term in title 5.

(3) To determine necessary expenditures of the Board under this chapter and the manner in which such expenditures shall be incurred, allowed, and paid.

(4) To use the United States mails in the same manner and under the same conditions as a department or agency of the United States.

(5) To issue and serve a notice of charges upon a Federal home loan bank or upon any executive officer or director of a Federal home loan bank if, in the determination of the Finance Board, the Bank, executive officer, or director is engaging or has engaged in, or the Finance Board has reasonable cause to believe that the Bank, executive officer, or director is about to engage in an unsafe or unsound practice in conducting the business of the bank, or any conduct that violates any provision of this chapter or any law, order, rule, or regulation or any condition imposed in writing by the Finance Board in connection with the granting of any application or other request by the Bank, or any written agreement entered into by the Bank with the agency, in accordance with the procedures provided in subsection (c) or (f) of section 1371 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 [12 U.S.C. 4631]. Such authority includes the same authority to issue an order requiring a party to take affirmative action to correct conditions resulting from violations or practices or to limit activities of a Bank or any executive officer or director of a Bank as appropriate Federal banking agencies have to take with respect to insured depository institutions under paragraphs (6) and (7) of section 1818(b) of this title, and to have all other powers, rights, and duties to enforce this chapter with respect to the Federal home loan banks and their executive officers and directors as the Office of Federal Housing Enterprise Oversight has to enforce the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 [12 U.S.C. 4501 et seq.], the Federal National Mortgage Association Charter Act [12 U.S.C. 1716 et seq.], or the Federal Home Loan

Mortgage Corporation Act [12 U.S.C. 1451 et seq.] with respect to the Federal housing enterprises under subtitle C [12 U.S.C. 4631 et seq.] (other than section 1371 [12 U.S.C. 4631]) of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992.

(6) To address any insufficiencies in capital levels resulting from the application of section 1464(f) of this title.

(7) To act in its own name and through its own attorneys—

(A) in enforcing any provision of this chapter or any regulation promulgated under this chapter; or

(B) in any action, suit, or proceeding to which the Finance Board is a party that involves the Board's regulation or supervision of any Federal home loan bank.

(b) Staff**(1) Board staff**

Subject to title IV of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989, the Board may employ, direct, and fix the compensation and number of employees, attorneys, and agents of the Federal Housing Finance Board, except that in no event shall the Board delegate any function to any employee, administrative unit of any Bank, or joint office of the Federal Home Loan Bank System. The prohibition contained in the preceding sentence shall not apply to the delegation of ministerial functions including issuing consolidated obligations pursuant to section 1431(b) of this title. In directing and fixing such compensation, the Board shall consult with and maintain comparability with the compensation at the Federal bank regulatory agencies. Such compensation shall be paid without regard to the provisions of other laws applicable to officers or employees of the United States, except the Chairperson and other Directors shall be compensated as prescribed in sections 5314 and 5315 of title 5, respectively.

(2) Abolition of joint offices

The joint or collective offices of the Federal Home Loan Bank System, except for the Office of Finance, are hereby abolished.

(c) Receipts of Board

Receipts of the Board derived from assessments levied upon the Federal Home Loan Banks and from other sources (other than receipts from the sale of consolidated Federal Home Loan Bank bonds and debentures issued under section 1431 of this title) shall be deposited in the Treasury of the United States. Salaries of the directors and other employees of the Board and all other expenses thereof may be paid from such assessments or other sources and shall not be construed to be Government Funds or appropriated monies, or subject to apportionment for the purposes of chapter 15 of title 31, or any other authority.

(d) Annual report

The Board shall make an annual report to the Congress.

§ 1424. Eligibility for membership

(a) Criteria for eligibility

(1) In general

Any building and loan association, savings and loan association, cooperative bank, home-stead association, insurance company, savings bank, or any insured depository institution (as defined in section 1422 of this title), shall be eligible to become a member of a Federal Home Loan Bank if such institution—

(A) is duly organized under the laws of any State or of the United States;

(B) is subject to inspection and regulation under the banking laws, or under similar laws, of the State or of the United States; and

(C) makes such home mortgage loans as, in the judgment of the Board, are long-term loans (except that in the case of a savings bank, this subparagraph applies only if, in the judgment of the Board, its time deposits, as defined in section 461 of this title, warrant its making such loans).

(2) Qualified thrift lender

An insured depository institution that is not a member on January 1, 1989, may become a member of a Federal Home Loan Bank only if—

(A) the insured depository institution (other than a community financial institution) has at least 10 percent of its total assets in residential mortgage loans;

(B) the insured depository institution's financial condition is such that advances may be safely made to such institution; and

(C) the character of its management and its home-financing policy are consistent with sound and economical home financing.

(3) Certain institutions

An insured depository institution commencing its initial business operations after January 1, 1989, may become a member of a Federal Home Loan Bank if it complies with regulations and orders prescribed by the Board for the 10 percent asset requirement (described in the¹ paragraph (2)) within one year after the commencement of its operations.

(4) Limited exemption for community financial institutions

A community financial institution that otherwise meets the requirements of paragraph (2) may become a member without regard to the percentage of its total assets that is represented by residential mortgage loans, as described in subparagraph (A) of paragraph (2).

¹ So in original. The word “the” probably should not appear.

(b) Location requirement

An institution eligible to become a member under this section may become a member only of, or secure advances from, the Federal Home Loan Bank of the district in which is located the institution's principal place of business, or of the bank of a district adjoining such district, if demanded by convenience and then only with the approval of the Board.

(c) Inspection and regulation requirements

Notwithstanding the provisions of clause (2) of subsection (a) of this section requiring inspection and regulation under law as a condition with respect to eligibility for membership, any building and loan association which would be eligible to become a member of a Federal Home Loan Bank except for the fact that it is not subject to inspection and regulation under the banking laws or similar laws of the State in which such association is organized shall, upon subjecting itself to such inspection and regulation as the Board shall prescribe, be eligible to become a member.

§ 1426. Capital structure of Federal home loan banks

(a) Regulations**(1) Capital standards**

Not later than 18 months after November 12, 1999, the Finance Board shall issue regulations prescribing uniform capital standards applicable to each Federal home loan bank, which shall require each such bank to meet—

(A) the leverage requirement specified in paragraph (2); and

(B) the risk-based capital requirements, in accordance with paragraph (3).

(2) Leverage requirement**(A) In general**

The leverage requirement shall require each Federal home loan bank to maintain a minimum amount of total capital based on the total assets of the bank and shall be 5 percent.

(B) Treatment of stock and retained earnings

In determining compliance with the minimum leverage ratio established under subparagraph (A), the paid-in value of the outstanding Class B stock and the amount of retained earnings shall be multiplied by 1.5, and such higher amounts shall be deemed to be capital for purposes of meeting the 5 percent minimum leverage ratio, except that a Federal home loan bank's total capital (determined without taking into account any such multiplier) shall not be less than 4 percent of the total assets of the bank.

(3) Risk-based capital standards**(A) In general**

Each Federal home loan bank shall maintain permanent capital in an amount that is sufficient, as determined in accordance with the regulations of the Finance Board, to meet—

- (i) the credit risk to which the Federal home loan bank is subject; and
- (ii) the market risk, including interest rate risk, to which the Federal home loan bank is subject, based on a stress test established by the Finance Board that rigorously tests for changes in market variables, including changes in interest rates, rate volatility, and changes in the shape of the yield curve.

(B) Consideration of other risk-based standards

In establishing the risk-based standard under subparagraph (A)(ii), the Finance Board shall take due consideration of any risk-based capital test established pursuant to section 1361 of the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4611) for the enterprises (as defined in that Act [12 U.S.C. 4501 et seq.]), with such modifications as the Finance Board determines to be appropriate to reflect differences in operations between the Federal home loan banks and those enterprises.

(4) Other regulatory requirements

The regulations issued by the Finance Board under paragraph (1) shall—

- (A) permit each Federal home loan bank to issue, with such rights, terms, and preferences, not inconsistent with this chapter and the regulations issued hereunder, as the board of directors of that bank may approve, any 1 or more of—

- (i) Class A stock, which shall be redeemable in cash and at par 6 months following submission by a member of a written notice of its intent to redeem such shares; and
- (ii) Class B stock, which shall be redeemable in cash and at par 5 years following submission by a member of a written notice of its intent to redeem such shares;

- (B) provide that the stock of a Federal home loan bank may be issued to and held by only members of the bank, and that a bank may not issue any stock other than as provided in this section;

- (C) prescribe the manner in which stock of a Federal home loan bank may be sold, transferred, redeemed, or repurchased; and

- (D) provide the manner of disposition of outstanding stock held by, and the liquidation of any claims of the Federal home loan bank against, an institution that ceases to be a member of the bank, through merger or otherwise, or that provides notice of intention to withdraw from membership in the bank.

(5) Definitions of capital

For purposes of determining compliance with the capital standards established under this subsection—

- (A) permanent capital of a Federal home loan bank shall include—

- (i) the amounts paid for the Class B stock; and
- (ii) the retained earnings of the bank (as determined in accordance with generally accepted accounting principles); and

- (B) total capital of a Federal home loan bank shall include—

- (i) permanent capital;
- (ii) the amounts paid for the Class A stock;
- (iii) consistent with generally accepted accounting principles, and subject to the regulation of the Finance Board, a general allowance for losses, which may not include any reserves or allowances made or held against specific assets; and
- (iv) any other amounts from sources available to absorb losses incurred by the bank that the Finance Board determines by regulation to be appropriate to include in determining total capital.

(6) Transition period

Notwithstanding any other provision of this chapter, the requirements relating to purchase and retention of capital stock of a Federal home loan bank by any member thereof in effect on the day before November 12, 1999, shall continue in effect with respect to each Federal home loan bank until the regulations required by this subsection have taken effect and the capital structure plan required by subsection (b) of this section has been approved by the Finance Board and implemented by such bank.

(b) Capital structure plan**(1) Approval of plans**

Not later than 270 days after the date of publication by the Finance Board of final regulations in accordance with subsection (a) of this section, the board of directors of each Federal home loan bank shall submit for Finance Board approval a plan establishing and implementing a capital structure for such bank that—

- (A) the board of directors determines is best suited for the condition and operation of the bank and the interests of the members of the bank;
- (B) meets the requirements of subsection (c) of this section; and
- (C) meets the minimum capital standards and requirements established under subsection (a) of this section and other regulations prescribed by the Finance Board.

(2) Approval of modifications

The board of directors of a Federal home loan bank shall submit to the Finance Board for approval any modifications that the bank proposes to make to an approved capital structure plan.

(c) Contents of plan

The capital structure plan of each Federal home loan bank shall contain provisions addressing each of the following:

(1) Minimum investment**(A) In general**

Each capital structure plan of a Federal home loan bank shall require each member

of the bank to maintain a minimum investment in the stock of the bank, the amount of which shall be determined in a manner to be prescribed by the board of directors of each bank and to be included as part of the plan.

(B) Investment alternatives

(i) In general

In establishing the minimum investment required for each member under subparagraph (A), a Federal home loan bank may, in its discretion, include any 1 or more of the requirements referred to in clause (ii), or any other provisions approved by the Finance Board.

(ii) Authorized requirements

A requirement is referred to in this clause if it is a requirement for—

- (I) a stock purchase based on a percentage of the total assets of a member; or
- (II) a stock purchase based on a percentage of the outstanding advances from the bank to the member.

(C) Minimum amount

Each capital structure plan of a Federal home loan bank shall require that the minimum stock investment established for members shall be set at a level that is sufficient for the bank to meet the minimum capital requirements established by the Finance Board under subsection (a) of this section.

(D) Adjustments to minimum required investment

The capital structure plan of each Federal home loan bank shall impose a continuing obligation on the board of directors of the bank to review and adjust the minimum investment required of each member of that bank, as necessary to ensure that the bank remains in compliance with applicable minimum capital levels established by the Finance Board, and shall require each member to comply promptly with any adjustments to the required minimum investment.

(2) Transition rule

(A) In general

The capital structure plan of each Federal home loan bank shall specify the date on which it shall take effect, and may provide for a transition period of not longer than 3 years to allow the bank to come into compliance with the capital requirements prescribed under subsection (a) of this section, and to allow any institution that was a member of the bank on November 12, 1999, to come into compliance with the minimum investment required pursuant to the plan.

(B) Interim purchase requirements

The capital structure plan of a Federal home loan bank may allow any member referred to in subparagraph (A) that would be required by the terms of the capital structure plan to increase its investment in the stock of the bank to do so in periodic installments during the transition period.

(3) Disposition of shares

The capital structure plan of a Federal home loan bank shall provide for the manner of disposition of any stock held by a member of that bank that terminates its membership or that provides notice of its intention to withdraw from membership in that bank.

(4) Classes of stock

(A) In general

The capital structure plan of a Federal home loan bank shall afford each member of that bank the option of maintaining its required investment in the bank through the purchase of any combination of classes of stock authorized by the board of directors of the bank and approved by the Finance Board in accordance with its regulations.

(B) Rights requirement

A Federal home loan bank shall include in its capital structure plan provisions establishing terms, rights, and preferences, including minimum investment, dividends, voting, and liquidation preferences of each class of stock issued by the bank, consistent with Finance Board regulations and market requirements.

(C) Reduced minimum investment

The capital structure plan of a Federal home loan bank may provide for a reduced minimum stock investment for any member of that bank that elects to purchase Class B¹ in a manner that is consistent with meeting the minimum capital requirements of the bank, as established by the Finance Board.

(D) Liquidation of claims

The capital structure plan of a Federal home loan bank shall provide for the liquidation in an orderly manner, as determined by the bank, of any claim of that bank against a member, including claims for any applicable prepayment fees or penalties resulting from prepayment of advances prior to stated maturity.

(5) Limited transferability of stock

The capital structure plan of a Federal home loan bank shall—

- (A) provide that any stock issued by that bank shall be available only to and held only by members of that bank and tradable only between that bank and its members; and
- (B) establish standards, criteria, and requirements for the issuance, purchase, transfer, retirement, and redemption of stock issued by that bank.

(6) Bank review of plan

Before filing a capital structure plan with the Finance Board, each Federal home loan bank shall conduct a review of the plan by—

- (A) an independent certified public accountant, to ensure, to the extent possible, that implementation of the plan would not result in any write-down of the redeemable bank stock investment of its members; and
- (B) at least one major credit rating agency, to determine, to the extent possible,

¹ So in original. Probably should be "Class B stock".

whether implementation of the plan would have any material effect on the credit ratings of the bank.

(d) Termination of membership

(1) Voluntary withdrawal

Any member may withdraw from a Federal home loan bank if the member provides written notice to the bank of its intent to do so and if, on the date of withdrawal, there is in effect a certification by the Finance Board that the withdrawal will not cause the Federal Home Loan Bank System to fail to meet its obligation under section 1441b(f)(2)(C) of this title to contribute to the debt service for the obligations issued by the Resolution Funding Corporation. The applicable stock redemption notice periods shall commence upon receipt of the notice by the bank. Upon the expiration of the applicable notice period for each class of redeemable stock, the member may surrender such stock to the bank, and shall be entitled to receive in cash the par value of the stock. During the applicable notice periods, the member shall be entitled to dividends and other membership rights commensurate with continuing stock ownership.

(2) Involuntary withdrawal

(A) In general

The board of directors of a Federal home loan bank may terminate the membership of any institution if, subject to Finance Board regulations, it determines that—

- (i) the member has failed to comply with a provision of this chapter or any regulation prescribed under this chapter; or
- (ii) the member has been determined to be insolvent, or otherwise subject to the appointment of a conservator, receiver, or other legal custodian, by a Federal or State authority with regulatory and supervisory responsibility for the member.

(B) Stock disposition

An institution, the membership of which is terminated in accordance with subparagraph (A)—

- (i) shall surrender redeemable stock to the Federal home loan bank, and shall receive in cash the par value of the stock, upon the expiration of the applicable notice period under subsection (a)(4)(A) of this section;
- (ii) shall receive any dividends declared on its redeemable stock, during the applicable notice period under subsection (a)(4)(A) of this section; and
- (iii) shall not be entitled to any other rights or privileges accorded to members after the date of the termination.

(C) Commencement of notice period

With respect to an institution, the membership of which is terminated in accordance with subparagraph (A), the applicable notice period under subsection (a)(4) of this section for each class of redeemable stock shall commence on the earlier of—

- (i) the date of such termination; or
- (ii) the date on which the member has provided notice of its intent to redeem such stock.

(3) Liquidation of indebtedness

Upon the termination of the membership of an institution for any reason, the outstanding indebtedness of the member to the bank shall be liquidated in an orderly manner, as determined by the bank and, upon the extinguishment of all such indebtedness, the bank shall return to the member all collateral pledged to secure the indebtedness.

(e) Redemption of excess stock

(1) In general

A Federal home loan bank, in its sole discretion, may redeem or repurchase, as appropriate, any shares of Class A or Class B stock issued by the bank and held by a member that are in excess of the minimum stock investment required of that member.

(2) Excess stock

Shares of stock held by a member shall not be deemed to be “excess stock” for purposes of this subsection by virtue of a member’s submission of a notice of intent to withdraw from membership or termination of its membership in any other manner.

(3) Priority

A Federal home loan bank may not redeem any excess Class B stock prior to the end of the 5-year notice period, unless the member has no Class A stock outstanding that could be redeemed as excess.

(f) Impairment of capital

If the Finance Board or the board of directors of a Federal home loan bank determines that the bank has incurred or is likely to incur losses that result in or are expected to result in charges against the capital of the bank, the bank shall not redeem or repurchase any stock of the bank without the prior approval of the Finance Board while such charges are continuing or are expected to continue. In no case may a bank redeem or repurchase any applicable capital stock if, following the redemption, the bank would fail to satisfy any minimum capital requirement.

(g) Rejoining after divestiture of all shares

(1) In general

Except as provided in paragraph (2), and notwithstanding any other provision of this chapter, an institution that divests all shares of stock in a Federal home loan bank may not, after such divestiture, acquire shares of any Federal home loan bank before the end of the 5-year period beginning on the date of the completion of such divestiture, unless the divestiture is a consequence of a transfer of membership on an uninterrupted basis between banks.

(2) Exception for withdrawals from membership before 1998

Any institution that withdrew from membership in any Federal home loan bank before December 31, 1997, may acquire shares of a Federal home loan bank at any time after that date, subject to the approval of the Finance Board and the requirements of this chapter.

(h) Treatment of retained earnings**(1) In general**

The holders of the Class B stock of a Federal home loan bank shall own the retained earnings, surplus, undivided profits, and equity reserves, if any, of the bank.

(2) Exception

Except as specifically provided in this section or through the declaration of a dividend or a capital distribution by a Federal home loan bank, or in the event of liquidation of the bank, a member shall have no right to withdraw or otherwise receive distribution of any portion of the retained earnings of the bank.

EFFECTIVE DATE OF 1961 AMENDMENT

Section 7 of Pub. L. 87-210 provided that: "This Act [amending this section and section 1727 of this title and enacting provisions set out as a note under section 1727 of this title] shall become effective on January 1 next following the date of its enactment [Sept. 8, 1961]."

§ 1427. Directors

(a) Number; appointment and election; qualifications; conflicts of interest

The management of each Federal home loan bank shall be vested in a board of fourteen directors, eight of whom shall be elected by the members as hereinafter provided in this section and six of whom shall be appointed by the Board referred to in section 1422a of this title, all of whom shall be citizens of the United States, and each of whom shall be either a bona fide resident of the district in which such bank is located or an officer or director of a member of such bank located in that district: *Provided*, That in any district which includes five or more States the Board may by regulation increase the elective directors to a number not exceeding thirteen and may increase the appointive directors to a number not exceeding three-fourths the number of elective directors: *Provided further*, That if at any time the number of elective directors in the case of any district is not at least equal to the number of States in such district the Board shall exercise the authority conferred by the next preceding proviso so as to increase such elective directors to a number at least equal to the number of States in such district. At least 2 of the Federal Home Loan Bank directors who are appointed by the Board shall be representatives chosen from organizations with more than

a 2-year history of representing consumer or community interests on banking services, credit needs, housing, or financial consumer protections. No Federal Home Loan Bank director who is appointed pursuant to this subsection may, during such Bank director's term of office, serve as an officer of any Federal Home Loan Bank or a director or officer of any member of a Bank, or hold shares, or any other financial interest in, any member of a Bank.

(b) Elective directorships; qualifications; nominations and election

Each elective directorship shall be designated by the Board as representing the members located in a particular State, and shall be filled by a person who is an officer or director of a member located in that State, each of which members shall be entitled to nominate an eligible person for such directorship, and such office shall be filled from such nominees by a plurality of the votes which such members may cast in an election held for the purpose of filling such office, in which election each such member may cast for such office a number of votes equal to the number of shares of stock in such bank required by this chapter to be held by such member at the end of the calendar year next preceding the election, as determined pursuant to regulation of the Board, but not in excess of the average number of shares of stock in such bank required by this chapter to be held at the end of such calendar year by the respective members of such bank located in such State, as so determined. No person who is an officer or director of a member that fails to meet any applicable capital requirement is eligible to hold the office of Federal Home Loan Bank director. As used in this subsection and in subsection (c) of this section, the term "member" means a member of a Federal home loan bank which was a member of such bank at the end of such calendar year.

(c) Apportionment among States in bank district; designation of State location

The number of elective directorships designated as representing the members located in each separate State in a bank district shall be determined by the Board in the approximate ratio of the percentage of the required stock, as determined pursuant to regulation of the Board, of the members located in that State at the end of the calendar year next preceding the date of the election to the total required stock, as so determined, of all members of such bank at the end of such year, except that in the case of each State such number shall not be less than one and shall not be more than six. Notwithstanding any other provision of this section, if at any time the number of elective directorships so designated as representing the members located in any State would not be at least equal to the total number of elective directorships which, on December 31, 1960, were filled by officers or directors of members whose principal places of business were located in such State, the Board shall add to the board of directors of the bank of the district in which such State is located such number of elective directorships, and shall so designate the directorship or directorships thus added, that the number of elective directorships designated as representing the members located

in such State will equal said total number. Any elective directorship so added shall exist only until the expiration of its first term. The Board shall, with respect to each member of a Federal home loan bank, designate the State in the district of such bank in which such member shall, for the purposes of this subsection and subsection (b) of this section, be deemed to be located, and may from time to time change any such designation, but if the principal place of business of any such member is located in a State of such district it shall be the duty of the Board to designate such State as the State in which such member shall, for said purposes, be deemed to be located. As used in the second sentence of this subsection, the term "total number of elective directorships" means the total number of elective directorships on the board of directors of the bank of the district in which such State was located on December 31, 1960, and the term "members" where used for the second time in such sentence means members of such bank.

(d) Terms; rules and regulations governing nominations and elections

The term of each director, whether elected or appointed, shall be 3 years. The board of directors of each Federal home loan bank and the Finance Board shall adjust the terms of members first elected or appointed after November 12, 1999, to ensure that the terms of the members of the board of directors are staggered with approximately $\frac{1}{3}$ of the terms expiring each year. If any person, before or after, or partly before and partly after, September 8, 1961, has been elected to each of three consecutive full terms as an elective director of a Federal home loan bank in any elective directorship or elective directorships and has served for all or part of each of said terms, such person shall not be eligible for election to an elective directorship of such bank for a term which begins earlier than two years after the expiration of the last expiring of said three terms. The Board is authorized to prescribe such rules and regulations as it may deem necessary or appropriate for the nomination and election of directors of Federal home loan banks, including, without limitation on the generality of the foregoing, rules and regulations with respect to the breaking of ties and with respect to the inclusion of more than one directorship on a single ballot and the methods of voting and of determining the results of voting in such cases.

(e) Continuation of existing terms; directorship for the Commonwealth of Puerto Rico

Each term, outstanding on the effective date of the amendment to this section abolishing the division of elective directors into classes, of an elective or appointive directorship then existing shall continue until its original date of expiration, and any elective or appointive directorship in existence on said date shall continue to exist to the same extent as if it had been established by or under this section on or after said date. The Board in its discretion may shorten the next succeeding term of any such elective directorship to one year, and may fill such term by appointment. The term "States" or "State" as used in this section shall mean the States of the Union, the District of Columbia, and the Com-

monwealth of Puerto Rico. The Board, by regulation or otherwise, may add an additional elective directorship to the board of directors of the bank of any district in which the Commonwealth of Puerto Rico is included at the time such directorship is added and which does not then include five or more States, may fix the commencement and the duration, which shall not exceed two years, of the initial term of any directorship so added, and may fill any such initial term by appointment: *Provided*, That (1) any directorship added pursuant to the foregoing provisions of this sentence shall be designated by the Board, pursuant to subsection (b) of this section, as representing the members located in the Commonwealth of Puerto Rico, (2) such designation of such directorship shall not be changed, and (3) such directorship shall automatically cease to exist if and when the Commonwealth of Puerto Rico ceases to be included in such district.

(f) Vacancies

(1) In general

A Bank director appointed or elected to fill a vacancy shall be appointed or elected for the unexpired term of his or her predecessor in office.

(2) Appointed Bank directors

In the event of a vacancy in any appointive Bank directorship, such vacancy shall be filled through appointment by the Board for the unexpired term. If any appointive Bank director shall cease to have the qualifications set forth in subsection (a) of this section, the office held by such person shall immediately become vacant, but such person may continue to act as a Bank director until his or her successor assumes the vacated office or the term of such office expires, whichever occurs first.

(3) Elected Bank directors

In the event of a vacancy in any elective Bank directorship, such vacancy shall be filled by an affirmative vote of a majority of the remaining Bank directors, regardless of whether such remaining Bank directors constitute a quorum of the Bank's board of directors. A Bank director so elected shall satisfy the requirements for eligibility which were applicable to his predecessor. If any elective Bank director shall cease to have any qualification set forth in this section, the office held by such person shall immediately become vacant, and such person shall not continue to act as a Bank director.

(g) Chairperson and Vice Chairperson

(1) Election

The Chairperson and Vice Chairperson of the board of directors of each Federal home loan bank shall be elected by a majority of all the directors of such bank from among the directors of the bank.

(2) Terms

The term of office of the Chairperson and the Vice Chairperson of the board of directors of a Federal home loan bank shall be 2 years.

(3) Acting Chairperson

In the event of a vacancy in the position of Chairperson of the board of directors or during

the absence or disability of the Chairperson, the Vice Chairperson shall act as Chairperson.

(4) Procedures

The board of directors of each Federal home loan bank shall establish procedures, in the bylaws of such board, for designating an acting chairperson for any period during which the Chairperson and the Vice Chairperson are not available to carry out the requirements of that position for any reason and removing any person from any such position for good cause.

(h) Appointment where members hold less than \$1,000,000 of capital stock

If at any time when nominations are required members shall hold less than \$1,000,000 of the capital stock of the Federal home loan bank, the Board shall appoint a director or directors to fill the place or places for which such nominations are required, and the Board may, prior to the filing of the certificate mentioned in section 1432 of this title, appoint directors who shall be respectively designated by it as appointive directors and as elective directors, in accordance with the provisions of this section.

(i) Directors' compensation

(1) In general

Subject to paragraph (2), each bank may pay its directors reasonable compensation for the time required of them, and their necessary expenses, in the performance of their duties, in accordance with the resolutions adopted by such directors, subject to the approval of the board.

(2) Limitation

(A) In general

The annual salary of each of the following members of the board of directors of a Federal home loan bank may not exceed the amount specified:

In the case of the—	The annual compensation may not exceed—
Chairperson	\$25,000
Vice Chairperson	\$20,000
All other members	\$15,000.

(B) Adjustment

Beginning January 1, 2001, each dollar amount referred to in the table in subparagraph (A) shall be adjusted annually by the Finance Board, based on the annual percentage increase, if any, in the Consumer Price Index for all urban consumers, as published by the Department of Labor.

(C) Expenses

Subparagraph (A) shall not be construed as prohibiting the reimbursement of expenses incurred by members of the board of directors of any Federal home loan bank in connection with service on the board of directors.

(j) Duties of directors

Such board of directors shall administer the affairs of the bank fairly and impartially and without discrimination in favor of or against any member, and shall, subject to the provisions hereof, extend to each institution authorized to

secure advances such advances as may be made safely and reasonably with due regard for the claims and demands of other institutions, and with due regard to the maintenance of adequate credit standing for the Federal Home Loan Bank and its obligations.

(k) Indemnification of directors, officers, and employees

The board of directors of each Bank shall determine the terms and conditions under which such Bank may indemnify its directors, officers, employees or agents.

§ 1428. Examination of State laws, regulations, and procedures; studies of values, etc.

The Board shall cause to be made from time to time examinations of the laws of the various

States of the United States and the regulations and procedure thereunder governing conditions under which institutions of the kinds which may become members or nonmember borrowers under this chapter are permitted to be formed or to do business, or relating to the conveying or recording of land titles, or to homestead and other rights, or to the enforcement of the rights of holders of mortgages on lands securing loans, or otherwise. If any such examination shall indicate, in the opinion of the Board, that under the laws of any such State or the regulations or procedure thereunder there would be inadequate protection to a Federal Home Loan Bank in making or collecting advances under this chapter, the Board may withhold or limit the operation of any Federal Home Loan Bank in such State until satisfactory conditions of law, regulation, or procedure shall be established. In any State where State examination of members or nonmember borrowers is deemed inadequate for the purposes of the Federal Home Loan Banks, the Board shall establish such examination, all or part of the cost of which may be considered as part of the cost of making advances in such State. The banks and/or the Board may make studies of trends of home and other property values, methods of appraisals, and other subjects such as they may deem useful for the general guidance of their policies and operations and those of institutions authorized to secure advances.

§ 1430. Advances to members

(a) In general

(1) All advances

Each Federal Home Loan Bank is authorized to make secured advances to its members upon collateral sufficient, in the judgment of the Bank, to fully secure advances obtained from the Bank under this section or section 1431(g) of this title.

(2) Purposes of advances

A long-term advance may only be made for the purposes of—

(A) providing funds to any member for residential housing finance; and

(B) providing funds to any community financial institution for small businesses, small farms, and small agri-businesses.

(3) Collateral

A Bank, at the time of origination or renewal of a loan or advance, shall obtain and maintain a security interest in collateral eligible pursuant to one or more of the following categories:

(A) Fully disbursed, whole first mortgages on improved residential property (not more than 90 days delinquent), or securities representing a whole interest in such mortgages.

(B) Securities issued, insured, or guaranteed by the United States Government or any agency thereof (including without limitation, mortgage-backed securities issued or guaranteed by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Corporation, and the Government National Mortgage Association).

(C) Cash or deposits of a Federal Home Loan Bank.

(D) Other real estate related collateral acceptable to the Bank if such collateral has a readily ascertainable value and the Bank can perfect its interest in the collateral.

(E) Secured loans for small business, agriculture, or securities representing a whole interest in such secured loans, in the case of any community financial institution.

(4) Additional bank authority

Subparagraphs (A) through (E) of paragraph (3) shall not affect the ability of any Federal Home Loan Bank to take such steps as it deems necessary to protect its security position with respect to outstanding advances, including requiring deposits of additional collateral security, whether or not such additional security would be eligible to originate an advance. If an advance existing on August 9, 1989, matures and the member does not have sufficient eligible collateral to fully secure a renewal of such advance, a Bank may renew such advance secured by such collateral as the Bank determines is appropriate. A member that has an advance secured by such insufficient eligible collateral must reduce its level of outstanding advances promptly and prudently in accordance with a schedule determined by the Federal home loan bank.

(5) Review of certain collateral standards

The Board may review the collateral standards applicable to each Federal home loan bank for the classes of collateral described in subparagraphs (D) and (E) of paragraph (3), and may, if necessary for safety and soundness purposes, require an increase in the collateral standards for any or all of those classes of collateral.

(6) Definitions

For purposes of this subsection, the terms “small business”, “agriculture”, “small farm”, and “small agri-business” shall have the meanings given those terms by regulation of the Finance Board.

(b) Appraisals and other investigations; acceptance of home mortgages as collateral security only by formal Board resolution

For the purposes of this section, each Home Loan Bank shall have power to make, or to cause or require to be made, such appraisals and other investigations as it may deem necessary. No home mortgage otherwise eligible to be accepted as collateral security for an advance by a Home Loan Bank shall be accepted if any director, officer, employee, attorney or agent of the Home Loan Bank or of the borrowing institution is personally liable thereon, unless the Board has specifically approved by formal resolution such acceptance.

(c) Notes of borrowing members; interest rate; lien on stock

Such advances shall be made upon the note or obligation of the member secured as provided in this section, bearing such rate of interest as the Federal home loan bank may approve or determine, and the Federal Home Loan Bank shall have a lien upon and shall hold the stock of such member as further collateral security for all indebtedness of the member to the Federal Home Loan Bank.

(d) Obligation to repay; additional security; sale of advances to other banks

The institution applying for an advance shall enter into a primary and unconditional obligation to pay off all advances, together with interest and any unpaid costs and expenses in connection therewith according to the terms under which they were made, in such form as shall meet the requirements of the bank. The bank shall reserve the right to require at any time, when deemed necessary for its protection, deposits of additional collateral security or substitutions of security by the borrowing institution, and each borrowing institution shall assign additional or substituted security when and as so required. Any Federal Home Loan Bank shall have power to sell to any other Federal Home Loan Bank, with or without recourse, any advance made under the provisions of this chapter, or to allow to such bank a participation therein, and any other Federal Home Loan Bank shall have power to purchase such advance or to accept a participation therein, together with an appropriate assignment of security therefor.

(e) Priority of certain secured interests

Notwithstanding any other provision of law, any security interest granted to a Federal Home

Loan Bank by any member of any Federal Home Loan Bank or any affiliate of any such member shall be entitled to priority over the claims and rights of any party (including any receiver, conservator, trustee, or similar party having rights of a lien creditor) other than claims and rights that—

(1) would be entitled to priority under otherwise applicable law; and

(2) are held by actual bona fide purchasers for value or by actual secured parties that are secured by actual perfected security interests.

(g)¹ Community support requirements**(1) In general**

Before the end of the 2-year period beginning on August 9, 1989, the Board shall adopt regulations establishing standards of community investment or service for members of Banks to maintain continued access to long-term advances.

(2) Factors to be included

The regulations promulgated pursuant to paragraph (1) shall take into account factors such as a member's performance under the Community Reinvestment Act of 1977 [12 U.S.C. 2901 et seq.] and the member's record of lending to first-time homebuyers.

(h) Special liquidity advances**(1) In general**

Subject to paragraph (2), the Federal Home Loan Banks may, upon the request of the Director of the Office of Thrift Supervision, make short-term liquidity advances to a savings association that—

(A) is solvent but presents a supervisory concern because of such association's poor financial condition; and

(B) has reasonable and demonstrable prospects of returning to a satisfactory financial condition.

(2) Interest on and security for special liquidity advances

Any loan by a Federal Home Loan Bank pursuant to paragraph (1) shall be subject to all applicable collateral requirements, including the requirements of subsection (a) of this section, and shall be at an interest rate no less favorable than those made available for similar short-term liquidity advances to savings associations that do not present such supervisory concern.

(i) Community investment program**(1) In general**

Each Bank shall establish a program to provide funding for members to undertake community-oriented mortgage lending. Each Bank shall designate a community investment officer to implement community lending and affordable housing advance programs of the Banks under this subsection and subsection (j) of this section and provide technical assistance and outreach to promote such programs. Advances under this program shall be priced at the cost of consolidated Federal Home Loan Bank obligations of comparable maturities,

taking into account reasonable administrative costs.

(2) Community-oriented mortgage lending

For purposes of this subsection, the term “community-oriented mortgage lending” means providing loans—

(A) to finance home purchases by families whose income does not exceed 115 percent of the median income for the area,

(B) to finance purchase or rehabilitation of housing for occupancy by families whose income does not exceed 115 percent of median income for the area,

(C) to finance commercial and economic development activities that benefit low- and moderate-income families or activities that are located in low- and moderate-income neighborhoods, and

(D) to finance projects that further a combination of the purposes described in subparagraphs (A) through (C).

(j) Affordable housing program

(1) In general

Pursuant to regulations promulgated by the Board, each Bank shall establish an Affordable Housing Program to subsidize the interest rate on advances to members engaged in lending for long term, low- and moderate-income, owner-occupied and affordable rental housing at subsidized interest rates.

(2) Standards

The Board's regulations shall permit Bank members to use subsidized advances received from the Banks to—

(A) finance homeownership by families with incomes at or below 80 percent of the median income for the area; or

(B) finance the purchase, construction, or rehabilitation of rental housing, at least 20 percent of the units of which will be occupied by and affordable for very low-income households for the remaining useful life of such housing or the mortgage term.

(3) Priorities for making advances

In using advances authorized under paragraph (1), each Bank member shall give priority to qualified projects such as the following:

(A) purchase of homes by families whose income is 80 percent or less of the median income for the area,

(B) purchase or rehabilitation of housing owned or held by the United States Government or any agency or instrumentality of the United States; and

(C) purchase or rehabilitation of housing sponsored by any nonprofit organization, any State or political subdivision of any State, any local housing authority or State housing finance agency.

(4) Report

Each member receiving advances under this program shall report annually to the Bank making such advances concerning the member's use of advances received under this program.

(5) Contribution to program

Each Bank shall annually contribute the percentage of its annual net earnings pre-

scribed in the following subparagraphs to support subsidized advances through the Affordable Housing Program:

(A) In 1990, 1991, 1992, and 1993, 5 percent of the preceding year's net income, or such prorated sums as may be required to assure that the aggregate contribution of all the Banks shall not be less than \$50,000,000 for each such year.

(B) In 1994, 6 percent of the preceding year's net income, or such prorated sum as may be required to assure that the aggregate contribution of the Banks shall not be less than \$75,000,000 for such year.

(C) In 1995, and subsequent years, 10 percent of the preceding year's net income, or such prorated sums as may be required to assure that the aggregate contribution of the Banks shall not be less than \$100,000,000 for each such year.

(6) Grounds for suspending contributions

(A) In general

If a Bank finds that the payments required under this paragraph are contributing to the financial instability of such Bank, it may apply to the Federal Housing Finance Board for a temporary suspension of such payments.

(B) Financial instability

In determining the financial instability of a Bank, the Federal Housing Finance Board shall consider such factors as (i) whether the Bank's earnings are severely depressed, (ii) whether there has been a substantial decline in membership capital, and (iii) whether there has been a substantial reduction in advances outstanding.

(C) Review

The Board shall review the application and any supporting financial data and issue a written decision approving or disapproving such application. The Board's decision shall be accompanied by specific findings and reasons for its action.

(D) Monitoring suspension

If the Board grants a suspension, it shall specify the period of time such suspension shall remain in effect and shall continue to monitor the Bank's financial condition during such suspension.

(E) Limitations on grounds for suspension

The Board shall not suspend payments to the Affordable Housing Program if the Bank's reduction in earnings is a result of (i) a change in the terms for advances to members which is not justified by market conditions, (ii) inordinate operating and administrative expenses, or (iii) mismanagement.

(F) Congressional notification and action

The Federal Housing Finance Board shall notify the Committee on Banking, Finance and Urban Affairs of the House of Representatives and the Committee on Banking, Housing, and Urban Affairs of the Senate not less than 60 days before such suspension takes effect. Such suspension shall become effective unless a joint resolution is enacted disapproving such suspension.

(7) Failure to use amounts for affordable housing

If any Bank fails to utilize or commit the full amount provided in this subsection in any year, 90 percent of the amount that has not been utilized or committed in that year shall be deposited by the Bank in an Affordable Housing Reserve Fund administered by the Board. The 10 percent of the unutilized and uncommitted amount retained by a Bank should be fully utilized or committed by that Bank during the following year and any remaining portion must be deposited in the Affordable Housing Reserve Fund. Under regulations established by the Board, funds from the Affordable Housing Reserve Fund may be made available to any Bank to meet additional affordable housing needs in such Bank's district pursuant to this section.

(8) Net earnings

The net earnings of any Federal Home Loan Bank shall be determined for purposes of this paragraph—

(A) after reduction for any payment required under section 1441 or 1441b of this title; and

(B) before declaring any dividend under section 1436 of this title.

(9) Regulations

The Federal Housing Finance Board shall promulgate regulations to implement this subsection. Such regulations shall, at a minimum—

(A) specify activities eligible to receive subsidized advances from the Banks under this program;

(B) specify priorities for the use of such advances;

(C) ensure that advances made under this program will be used only to assist projects for which adequate long-term monitoring is available to guarantee that affordability standards and other requirements of this subsection are satisfied;

(D) ensure that a preponderance of assistance provided under this subsection is ultimately received by low- and moderate-income households;

(E) ensure that subsidies provided by Banks to member institutions under this program are passed on to the ultimate borrower;

(F) establish uniform standards for subsidized advances under this program and subsidized lending by member institutions supported by such advances, including maximum subsidy and risk limitations for different categories of loans made under this subsection; and

(G) coordinate activities under this subsection with other Federal or federally-subsidized affordable housing activities to the maximum extent possible.

(10) Other programs

No provision of this subsection or subsection (i) of this section shall preclude any Bank from establishing additional community investment cash advance programs or contributing additional sums to the Affordable Housing Reserve Fund.

(11) Advisory Council

Each Bank shall appoint an Advisory Council of 7 to 15 persons drawn from community and nonprofit organizations actively involved in providing or promoting low- and moderate-income housing in its district. The Advisory Council shall meet with representatives of the board of directors of the Bank quarterly to advise the Bank on low- and moderate-income housing programs and needs in the district and on the utilization of the advances for these purposes. Each Advisory Council established under this paragraph shall submit to the Board at least annually its analysis of the low-income housing activity of the Bank by which it is appointed.

(12) Reports to Congress

(A) The Board shall monitor and report annually to the Congress and the Advisory Council for each Bank the support of low-income housing and community development by the Banks and the utilization of advances for these purposes.

(B) The analyses submitted by the Advisory Councils to the Board under paragraph (11) shall be included as part of the report required by this paragraph.

(C) The Comptroller General of the United States shall audit and evaluate the Affordable Housing Program established by this subsection after such program has been operating for 2 years. The Comptroller General shall report to Congress on the conclusions of the audit and recommend improvements or modifications to the program.

§ 1430b. Advances to nonmember mortgagee; terms and conditions

(a) In general

(b) Exception

An advance made to a State housing finance agency for the purpose of facilitating mortgage lending that benefits individuals and families that meet the income requirements set forth in section 142(d) or 143(f) of title 26, need not be collateralized by a mortgage insured under title II of the National Housing Act [12 U.S.C. 1707 et seq.] or otherwise, if—

- (1) such advance otherwise meets the requirements of this subsection; and
- (2) such advance meets the requirements of section 1430(a) of this title, and any real estate collateral for such loan comprises single family or multifamily residential mortgages.

(a) Borrowing money; issuing bonds and debentures; general powers

Each Federal Home Loan Bank shall have power, subject to rules and regulations prescribed by the Board, to borrow and give security therefor and to pay interest thereon, to issue debentures, bonds, or other obligations upon such terms and conditions as the Board may approve, and to do all things necessary for carrying out the provisions of this chapter and all things incident thereto.

No such debentures shall be issued at any time if any of the assets of any Federal Home Loan Bank are pledged to secure any debts or subject to any lien, and neither the Board nor any Federal Home Loan Bank shall have power to pledge any of the assets of any

Federal Home Loan Bank, or voluntarily to permit any lien to attach to the same while any of such debentures so issued are outstanding. The debentures issued under this section and outstanding shall at no time exceed five times the total paid-in capital of all the Federal Home Loan Banks as of the time of the issue of such debentures. It shall be the duty of the Board not to issue debentures under this section in excess of the notes or obligations of member institutions held and secured under section 1430(a) of this title by all the Federal Home Loan Banks.

(c) Issuance of Federal Home Loan Bank bonds

At any time that no debentures are outstanding under this chapter, or in order to refund all outstanding consolidated debentures issued under this section, the Board may issue consolidated Federal Home Loan Bank bonds which shall be the joint and several obligations of all the Federal Home Loan Banks, and shall be secured and be issued upon such terms and conditions as the Board may prescribe.

(2)(A) The Board may, subject to such rules and regulations, including definitions of terms used in this paragraph, as the Board shall from time to time prescribe, authorize Federal Home Loan Banks to be drawees of, and to engage in, or be agents or intermediaries for, or otherwise participate or assist in, the collection and settlement of (including presentment, clearing, and payment of, and remitting for), checks, drafts, or any other negotiable or nonnegotiable items or instruments of payment drawn on or issued by members of any Federal Home Loan Bank or by institutions which are eligible to make application to become members pursuant to section 1424 of this title, and to have such incidental powers as the Board shall find necessary for the exercise of any such authorization.

(B) A Federal Home Loan Bank shall make charges, to be determined and regulated by the Board consistent with the principles set forth in section 248a(c) of this title, or utilize the services of, or act as agent for, or be a member of, a Federal Reserve bank, clearinghouse, or any other public or private financial institution or other agency, in the exercise of any powers or functions pursuant to this paragraph.

(C) The Board is authorized, with respect to participation in the collection and settlement of

any items by Federal Home Loan Banks, and with respect to the collection and settlement (including payment by the payor institution) of items payable by Federal savings and loan associations and Federal mutual savings banks, to prescribe rules and regulations regarding the rights, powers, responsibilities, duties, and liabilities, including standards relating thereto, of such Federal Home Loan Banks, associations, or banks and other parties to any such items or their collection and settlement. In prescribing such rules and regulations, the Board may adopt or apply, in whole or in part, general banking usage and practices, and, in instances or respects in which they would otherwise not be applicable, Federal Reserve regulations and operating letters, the Uniform Commercial Code, and clearinghouse rules.

(f) Rediscount of notes held by other banks; purchase of bonds of other banks

The Board is authorized and empowered to permit,¹ to require,¹ Federal Home Loan Banks, upon such terms and conditions as the Board may prescribe, to rediscount the discounted notes of members held by other Federal Home Loan Banks, or to make loans to, or make deposits with, such other Federal Home Loan Banks, or to purchase any bonds or debentures issued under this section.

(g) Reserves

Each Federal Home Loan Bank shall at all times have at least an amount equal to the current deposits received from its members invested in (1) obligations of the United States, (2) deposits in banks or trust companies, (3) advances with a maturity of not to exceed five years which are made to members, upon such terms and conditions as the Board may prescribe, and (4) advances with a maturity of not to exceed five years which are made to members whose creditor liabilities (not including advances from the Federal home loan bank) do not exceed 5 per centum of their net assets, and which may be made without the security of home mortgages or other security, upon such terms and conditions as the Board may prescribe.

(h) Investment of surplus funds

Such part of the assets of each Federal Home Loan Bank (except reserves and amounts provided for in subsection (g) of this section) as are not required for advances to members, may be invested, to such extent as the bank may deem desirable and subject to such regulations, restrictions, and limitations as may be prescribed by the Board, in obligations of the United States, in obligations, participations, or other instruments of or issued by the Federal National Mortgage Association or the Government National Mortgage Association, in mortgages, obligations, or other securities which are or ever have been sold by the Federal Home Loan Mortgage Corporation pursuant to section 1454 or section 1455 of this title, in the stock of the Federal National Mortgage Association, in stock, obligations, or other securities of any small business investment company formed pursuant to section

(i) Treasury purchase of banks' obligations; exercise of authority

The Secretary of the Treasury is authorized in his discretion to purchase any obligations issued pursuant to this section, as heretofore, now, or hereafter in force and for such purpose the Secretary of the Treasury is authorized to use as a public-debt transaction the proceeds of the sale of any securities hereafter issued under chapter 31 of title 31, as now or hereafter in force, and the purposes for which securities may be issued under chapter 31 of title 31, as now or hereafter in force, are extended to include such purchases. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as he shall determine, any of the obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public-debt transactions of the United States. The Secretary of the Treasury shall not at any time purchase any obligations under this paragraph if such purchase would increase the aggregate principal amount of his then outstanding holdings of such obligations under this paragraph to an amount greater than \$4,000,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon terms and conditions as shall be determined by the Secretary of the Treasury and shall bear such rate of interest as may be determined by the Secretary of the Treasury taking into consideration the current average market yield for the month preceding the month of such purchase on outstanding marketable obligations of the United States.

In addition to obligations authorized to be purchased by the preceding paragraph, the Secretary of the Treasury is authorized to purchase any obligations issued pursuant to this section in amounts not to exceed \$2,000,000,000. The authority provided in this paragraph shall expire August 10, 1975.

Notwithstanding the foregoing, the authority provided in this subsection may be exercised during any calendar quarter beginning after October 28, 1974, only if the Secretary of the Treasury and the Chairperson of the Board certify to the Congress that (1) alternative means cannot be effectively employed to permit members of the Federal Home Loan Bank System to continue to supply reasonable amounts of funds to the mortgage market, and (2) the ability to supply such funds is substantially impaired because of monetary stringency and a high level of interest rates. Any funds borrowed under this subsection shall be repaid by the Home Loan Banks at the earliest practicable date.

REFERENCES IN TEXT

Section 9105 of title 31, referred to in subsec. (j), was amended generally by Pub. L. 101-576, title III, §305, Nov. 15, 1990, 104 Stat. 2853, and, as so amended, subsec. (a) does not contain a par. (1)(B). Prior to the general amendment, subsec. (a)(1)(B) related to audits of mixed-ownership Government corporations during periods in which capital of the United States Government was invested therein.

CODIFICATION

In subsecs. (i) (first par.) and (j), “chapter 31 of title 31” substituted for “the Second Liberty Bond Act”, and “section 9105(a)(1)(B) of title 31” and “sections 9107(c)(2) and 9108(d)(1) of title 31” substituted for “the first sentence of section 202 of the Government Corporation Control Act [31 U.S.C. 857]” and “the first sentence of subsection (d) of section 303 of the Government Corporation Control Act [31 U.S.C. 868(d)]”, respectively, on authority of Pub. The Corporation may indemnify the directors, officers and employees of the Corporation on such terms as the Corporation deems proper against any liability under any civil suit pursuant to any statute or pursuant to common law with respect to any claim arising out of or resulting from any act or omission by such person within the scope of such person's employment in connection with any transaction entered into involving the disposition of assets (or any interests in any assets or any obligations backed by any assets) by the Corporation. For purposes of this subparagraph, the terms "officers" and "employees" include officers and employees of the Federal Deposit Insurance Corporation or of other agencies who perform services for the Corporation. The indemnification authorized by this subparagraph shall be in addition to and not in lieu of any immunities or other protections that may be available to such person under applicable law, and this provision does not affect any such immunities or other protections.

(A) In general

In addition to the powers of the Corporation described in paragraph (9), the Corporation shall have the following powers:

Such contracts shall be subject to the procedures adopted pursuant to paragraph (11).

(ii) Utilization of private sector

In carrying out the Corporation's duties under this section, the Corporation and the Federal Deposit Insurance Corporation shall utilize the services of private persons, including real estate and loan portfolio asset management, property management, auction marketing, and brokerage services, if such services are available in the private sector and the Corporation determines utilization of such services are practicable and efficient.

(C) Provisions applicable to review of prior cases

(i) In general

The Corporation shall exercise any and all legal rights to modify, renegotiate, or restructure such agreements where savings would be realized by such actions. The cost or income of any modification shall be a liability or an asset of the Corporation or the FSLIC Resolution Fund as determined by the Thrift Depositor Protection Oversight Board. Nothing in this paragraph shall be construed as granting the Corporation any legal rights to modify, renegotiate, or restructure agreements between the Federal Savings and Loan Insurance Corporation and any other party, which did not exist prior to August 9, 1989.

(ii) Additional provisions

The Corporation, in modifying, renegotiating, or restructuring the insolvent institution cases resolved by the Federal Savings and Loan Insurance Corporation between January 1, 1988, and August 9, 1989, shall carry out its responsibilities under section 519(a) of the Department of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1991 (104 Stat. 1386) and shall, consistent with achieving the greatest overall financial savings to the Federal Government, pursue all legal means by which the Corporation can reduce both the direct outlays and the tax benefits associated with such cases, including, but not limited to, restructuring to eliminate tax-free interest payments and renegotiating to capture a larger portion of the tax benefits for the Corporation.

(11) Regulations, policies, and procedures

(A) Strategies, policies, and goals

The Corporation shall adopt the rules, regulations, standards, procedures, guidelines, and statements necessary to implement the

strategic plan submitted by the former Oversight Board to Congress dated December 31, 1989. (C) Preparation and maintenance of records relating to solicitation and acceptance of offers

The Corporation shall—

In developing its implementing policies, the Corporation shall take the action described in clause (ii) to avoid adverse economic impact for those real estate markets that are distressed.

(ii) Valuation and disposition

The Corporation shall establish an appraisal or other valuation method for determining the market value of real property. With respect to a real property asset with a market value in excess of a certain dollar limit (such limit to be determined by the chief executive officer of the Corporation), consideration shall be given to the volume of assets above such limit and the potential impact of sales in such distressed areas. The Corporation shall not sell a real property asset located in a distressed area without obtaining at least the minimum disposition price, unless a determination has been made that such a transaction furthers the objectives set forth in paragraph (3)(C).

(iii) Exception

The provisions of this subparagraph shall not apply to any property as long as such property is subject to the requirements of subsection (c) of this section.

(E) Definitions

For the purposes of this subsection—

(i) The term “minimum disposition price” means 95 percent of the market value established by the Corporation. The chief executive officer, in the chief executive officer’s discretion, may change the percentage set forth in this definition from time to time if the chief executive officer determines that such change does not adversely impact the objectives set forth in paragraph (3)(C).

(ii) The term “sell a real property asset” means to convey all title and interest in a piece of tangible real property in which the Corporation has a fee simple or equivalent interest. The term “real property” does not include loans secured by real property, joint ventures, participation interests, options, or other similar interests. - (II) the buyer and seller are acting prudently and are knowledgeable, and
- (III) the price is not affected by any undue stimulus.

(F) Real Estate Asset Division

The Corporation shall establish a Real Estate Asset Division to assist and advise the Corporation with respect to the management, sale, or other disposition of real property assets of institutions described in paragraph (3)(A). The Real Estate Asset Division shall have such duties as the Corporation establishes, including the publication of an inventory of real property assets of institutions subject to the jurisdiction of the Corporation. Such inventory shall be published before January 1, 1990 and updated semiannually thereafter and shall identify properties with natural, cultural, recreational, or scientific values of special significance.

(G) Advisory personnel

These personnel shall

The report shall be published before December 31, 1990 and updated semiannually after such date.

(12) Periodic financing requests

The Corporation shall provide the Thrift Depositor Protection Oversight Board with periodic financing requests which shall detail—

- (C) any proposed use of notes, guarantees or other obligations.

Such financing requests shall be submitted on a quarterly basis or such other period as the Thrift Depositor Protection Oversight Board determines necessary. Following approval by the Thrift Depositor Protection Oversight Board, such requests shall form the basis for expending funds provided by the Treasury, for transferring funds from the Resolution Funding Corporation to the Corporation and the issuance of capital certificates by the Corporation in exchange therefor.

(13) Goal for participation of small business concerns

The Corporation shall have an annual goal that presents the maximum practicable opportunity for small business concerns, small business concerns owned and controlled by socially and economically disadvantaged individuals, and qualified HUBZone small business concerns (as defined in section 632(p) of title 15) to participate in the performance of contracts awarded by the Corporation.

the statute of limitations which shall apply to an action brought on such claim by the Corporation in the Corporation’s capacity as conservator or receiver of an institution described in paragraph (3)(A) shall be the period determined under subparagraph (C).

(i) In general

Notwithstanding section 1821(d)(14)(A) of this title, in the case of any tort claim—

(I) which is described in clause (ii); and

(II) for which the applicable statute of limitations under section 1821(d)(14)(A)(ii) of this title has not expired as of December 17, 1993;

the statute of limitations which shall apply to an action brought on such claim by the Corporation in the Corporation's capacity as conservator or receiver of an institution described in paragraph (3)(A) shall be the period determined under subparagraph (C).

(ii) Claims described

A tort claim referred to in clause (i)(I) with respect to an institution described in paragraph (3)(A) is a claim arising from gross negligence or conduct that demonstrates a greater disregard of a duty of care than gross negligence, including intentional tortious conduct relating to the institution.

(C) Determination of period

The period determined under this subparagraph for any claim to which subparagraph (A) or (B) applies shall be the longer of—

(i) the period beginning on the date the claim accrues (as determined pursuant to section 1821(d)(14)(B) of this title) and ending on December 31, 1995 or ending on the date of the termination of the Corporation pursuant to subsection (m)(1) of this section, whichever is later; or

(E) Revival of expired State causes of action

In the case of any tort claim described in subparagraph (A)(ii) for which the statute of limitation applicable under State law with respect to such claim has expired not more than 5 years before the appointment of the Corporation as conservator or receiver, the Corporation may bring an action as conservator or receiver on such claim without regard to the expiration of the statute of limitation applicable under State law.

(15) Purchase rights of tenants

(A) Notice

Except as provided in subparagraph (C), the Corporation may make available for sale a 1- to 4-family residence (including a manufactured home) to which the Corporation acquires title only after the Corporation has provided the household residing in the property notice (in writing and mailed to the

property) of the availability of such property and the preference afforded such household under subparagraph (B).

(B) Preference

In selling such a property, the Corporation shall give preference to any bona fide offer made by the household residing in the property, if—

(i) such offer is substantially similar in amount to other offers made within such period (or expected by the Corporation to be made within such period);

(ii) such offer is made during the period beginning upon the Corporation making such property available and of a reasonable duration, as determined by the Corporation based on the normal period for sale of such properties; and

(iii) the household making the offer complies with any other requirements applicable to purchasers of such property, including any downpayment and credit requirements.

(C) Exceptions

Subparagraphs (A) and (B) shall not apply to—

(i) any residence transferred in connection with the transfer of substantially all of the assets of an insured depository institution for which the Corporation has been appointed conservator or receiver;

(ii) any eligible single family property (as such term is defined in subsection (c)(9) of this section); or

(iii) any residence for which the household occupying the residence was the mortgagor under a mortgage on such residence and to which the Corporation acquired title pursuant to default on such mortgage.

(16) Preference for sales for homeless families

Subject to paragraph (15), in selling any real property (other than eligible residential property and eligible condominium property, as such terms are defined in subsection (c)(9) of this section) to which the Corporation acquires title, the Corporation shall give preference, among offers to purchase the property that will result in the same net present value proceeds, to any offer that would provide for the property to be used, during the remaining useful life of the property, to provide housing or shelter for homeless persons (as such term is defined in section 103 of the McKinney-Vento Homeless Assistance Act [42 U.S.C. 11302]) or homeless families.

(17) Preferences for sales of certain commercial real properties

(A) Authority

In selling any eligible commercial real properties of the Corporation, the Corporation shall give preference, among offers to purchase the property that will result in the same net present value proceeds, to any offer—

(i) that is made by a public agency or nonprofit organization; and

(ii) under which the purchaser agrees that the property shall be used, during the

remaining useful life of the property, for offices and administrative purposes of the purchaser to carry out a program to acquire residential properties to provide (I) homeownership and rental housing opportunities for very-low-, low-, and moderate-income families, or (II) housing or shelter for homeless persons (as such term is defined in section 103 of the McKinney-Vento Homeless Assistance Act [42 U.S.C. 11302]) or homeless families.

(B) Definitions

For purposes of this paragraph, the following definitions shall apply:

(i) Eligible commercial real property

The term “eligible commercial real property” means any property (I) to which the Corporation acquires title, and (II) that the Corporation, in the discretion of the Corporation, determines is suitable for use for the location of offices or other administrative functions involved with carrying out a program referred to in subparagraph (A)(ii).

(ii) Nonprofit organization and public agency

The terms “nonprofit organization” and “public agency” have the same meanings as in subsection (c)(9) of this section.

(c) Disposition of eligible residential properties

(1) Purpose

The purpose of this subsection is to provide homeownership and rental housing opportunities for very low-income, lower-income, and moderate-income families.

(2) Rules governing disposition of eligible single family properties

(A) Notice to clearinghouses

Within a reasonable period of time after acquiring title to an eligible single family property, the Corporation shall provide written notice to clearinghouses. Such notice shall contain basic information about the property, including but not limited to location, condition, and information relating to the estimated fair market value of the property. Each clearinghouse shall make such information available, upon request, to other public agencies, other nonprofit organizations, and qualifying households. The Corporation shall allow public agencies, nonprofit organizations, and qualifying households reasonable access to eligible single family property for purposes of inspection.

(B) Offers to sell single family properties to nonprofit organizations, public agencies, and qualifying households

Except as provided in the last sentence of this subparagraph⁴ for the 3-month and one week period following the date on which the Corporation makes an eligible single family property available for sale, the Corporation shall offer to sell the property to (i) qualifying households (including qualifying house-

holds with members who are veterans), or (ii) public agencies or nonprofit organizations that agree to (I) make the property available for occupancy by and maintain it as affordable for lower-income families (including lower-income families with members who are veterans) for the remaining useful life of such property, or (II) make the property available for purchase by any such family who, except as provided in subparagraph (D), agrees to occupy the property as a principal residence for at least 12 months and who certifies in writing that the family intends to occupy the property for at least 12 months. The restrictions described in subclause (I) of the preceding sentence shall be contained in the deed or other recorded instrument. If upon the expiration of such 3-month and one week period, no qualifying household, public agency, or nonprofit organization has made a bona fide offer to purchase the property, the Corporation may offer to sell the property to any purchaser. The Corporation shall actively market eligible single family properties for sale to lower-income families and to lower-income families with members who are veterans. To the extent or in such amounts as are provided in appropriations Acts for additional costs and losses to the Corporation resulting from this sentence taking effect, for purposes of this subsection the period referred to in the first and third sentences shall be considered to be the 180-day period following the date on which the Corporation first makes an eligible single family property available for sale.

(C) Recapture of profits from resale

Except as provided in subparagraph (D), if any eligible single family property sold (i) to a qualifying household, or (ii) to a lower-income family pursuant to subparagraph (B)(ii)(II), paragraph (12)(C)(i), or paragraph (13)(B), is resold by the qualifying household or lower-income family during the 1-year period beginning upon initial acquisition by the household or lower-income family, the Corporation shall recapture 75 percent of the amount of any proceeds from the resale that exceed the sum of (I) the original sale price for the acquisition of the property by the qualifying household or lower-income family; (II) the costs of any improvements to the property made after the date of the acquisition, and (III) any closing costs in connection with the acquisition.

(D) Exceptions to recapture requirement

(i) Relocation

The Corporation (or its successor) may in its discretion waive the applicability (I) to any qualifying household of the requirement under subparagraph (C) and the requirements relating to residency of a qualifying household under paragraphs (9)(L)(ii) and (iii), and (II) to any lower-income family of the requirement under subparagraph (C) and the residency requirements under subparagraph (B)(ii)(II). The Corporation may grant any such a waiver only for good cause shown, including any

⁴ So in original. Probably should be followed by a comma.

necessary relocation of the qualifying household or lower-income family.

(ii) Other recapture provisions

The requirement under subparagraph (C) shall not apply to any eligible single family property for which, upon resale by the qualifying household or lower-income family during the 1-year period beginning upon initial acquisition by the household or family, a portion of the sale proceeds or any subsidy provided in connection with the acquisition of the property by the household or family is required to be recaptured or repaid under any other Federal, State, or local law (including section 143(m) of title 26) or regulation or under any sale agreement.

(E) Exception to avoid displacement of existing residents

Notwithstanding the first sentence of subparagraph (B), during the 180-day period following the date on which the Corporation makes an eligible single family property available for sale, the Corporation may sell the property to the household residing in the property, but only if (i) such household was residing in the property at the time notice regarding the property was provided to clearinghouses under subparagraph (A), (ii) such sale is necessary to avoid the displacement of, and unnecessary hardship to, the resident household, (iii) the resident household intends to occupy the property as a principal residence for at least 12 months, and (iv) the resident household certifies in writing that the household intends to occupy the property for at least 12 months.

(3) Rules governing disposition of eligible multifamily housing properties

Except as provided under paragraph (6)(D), the Corporation shall dispose of eligible multifamily housing property as follows:

(A) Notice to clearinghouses

Within a reasonable period of time after acquiring title to an eligible multifamily housing property, the Corporation shall provide written notice to clearinghouses. Such notice shall contain basic information about the property, including but not limited to location, number of units (identified by number of bedrooms), and information relating to the estimated fair market value of the property. The clearinghouses shall make such information available, upon request, to qualifying multifamily purchasers. The Corporation shall allow qualifying multifamily purchasers reasonable access to an eligible multifamily housing property for purposes of inspection.

(B) Expression of serious interest

Qualifying multifamily purchasers may give written notice of serious interest in a property during a period ending 90 days after the time the Corporation provides notice under subparagraph (A). Such notice of serious interest shall be in such form and include such information as the Corporation may prescribe.

(C) Notice of readiness for sale

Upon the expiration of the period referred to in subparagraph (B) for a property, the Corporation shall provide written notice to any qualifying multifamily purchaser that has expressed serious interest in the property. Such notice shall specify the minimum terms and conditions for sale of the property.

(D) Offers to purchase

A qualifying multifamily purchaser receiving notice in accordance with subparagraph (C) shall have 45 days (from the date notice is received) to make a bona fide offer to purchase a property. The Corporation shall accept an offer that complies with the terms and conditions established by the Corporation. If, before the expiration of such 45-day period, any offer to purchase a property initially accepted by the Corporation is subsequently rejected or fails (for any reason), the Corporation shall accept another offer to purchase the property made during such period that complies with the terms and conditions established by the Corporation (if such another offer is made). The preceding sentence may not be construed to require a qualifying multifamily purchaser whose offer is accepted during the 45-day period to purchase the property before the expiration of the period.

(E) Lower-income occupancy requirements

(i) Single property purchases

With respect to any purchase of a single eligible multifamily housing property by a qualifying multifamily purchaser under subparagraph (D)—

(I) not less than 35 percent of all dwelling units purchased shall be made available for occupancy by and maintained as affordable for lower-income and very low-income families during the remaining useful life of the property in which the units are located; and

(II) not less than 20 percent of all dwelling units purchased shall be made available for occupancy by and maintained as affordable for very low-income families (including very low-income families taken into account for purposes of subclause (I)) during the remaining useful life of the property in which the units are located.

(ii) Aggregation requirements for multi-property purchases

With respect to any purchase under subparagraph (D) by a qualifying multifamily purchaser involving more than one eligible multifamily housing property as a part of the same negotiation—

(I) the provisions of clause (i) shall apply in the aggregate to the properties so purchased; except that

(II) to the extent or in such amounts as are provided in appropriations Acts for additional costs and losses to the Corporation resulting from this subclause taking effect, not less than (a) 40 percent

of the aggregate number of all dwelling units purchased shall be made available for occupancy by and maintained as affordable for lower-income and very low-income families during the remaining useful life of the property in which the units are located, (b) 20 percent of the aggregate number of all dwelling units purchased shall be made available for occupancy by and maintained as affordable for very low-income families (including very low-income families taken into account for purposes of subdivision (a) of this subclause) during the remaining useful life of the property in which the units are located, and (c) not less than 10 percent of the dwelling units in each separate property purchased shall be made available for occupancy by and maintained as affordable for lower-income families during the remaining useful life of the property in which the units are located.

The requirements of this subparagraph shall be contained in the deed or other recorded instrument.

(F) Sale of multifamily properties to other purchasers

(i) If, upon the expiration of the period referred to in subparagraph (B), no qualifying multifamily purchaser has expressed serious interest in a property, the Corporation may offer to sell the property, individually or in combination with other properties, to any purchaser.

(ii) The Corporation may not sell in combination with other properties any property which a qualifying multifamily purchaser has expressed serious interest in purchasing individually.

(iii) If, upon the expiration of the period referred to in subparagraph (D), no qualifying multifamily purchaser has made an offer to purchase the property, the Corporation may sell the property, individually or in combination with other properties, to any purchaser.

(G) Extension of restricted offer periods

Notwithstanding subparagraph (F), the Corporation may provide notice to clearinghouses regarding, and offer for sale under the provisions of subparagraphs (A) through (D), any eligible multifamily housing property—

(i) in which no qualifying multifamily purchaser has expressed serious interest during the period referred to in subparagraph (B), or

(ii) for which no qualifying multifamily purchaser has made a bona fide offer before the expiration of the period referred to in subparagraph (D),

except that the Corporation may, in the discretion of the Corporation, alter the duration of the periods referred to in subparagraphs (B) and (D) in offering any property for sale under this subparagraph.

(H) Exemptions

(i) Continued occupancy of current residents

No purchaser of an eligible multifamily housing property may terminate the occupancy of any person residing in the property on the date of purchase for purposes of meeting the lower-income occupancy requirement applicable to the property under subparagraph (E). The purchaser shall be in compliance with this paragraph if each newly vacant dwelling unit is reserved for lower-income occupancy until the lower-income occupancy requirement is met.

(ii) Financial infeasibility

The Secretary of Housing and Urban Development or the State housing finance agency for the State in which the property is located may temporarily reduce the lower-income occupancy requirements applicable to any property under subparagraph (E), if the Secretary or the applicable State housing finance agency determines that an owner's compliance with such requirements is no longer financially feasible. The owner of the property shall make a good-faith effort to return lower-income occupancy to the level required by subparagraph (E), and the Secretary of Housing and Urban Development or the State housing finance agency, as appropriate, shall review the reduction annually to determine whether financial infeasibility continues to exist.

(4) Rent limitations

(A) In general

With respect to properties under subparagraph (B), rents charged to tenants for units made available for occupancy by very-low income families shall not exceed 30 percent of the adjusted income of a family whose income equals 50 percent of the median income for the area, as determined by the Secretary, with adjustment for family size. Rents charged to tenants for units made available for occupancy by lower-income families other than very low-income families shall not exceed 30 percent of the adjusted income of a family whose income equals 65 percent of the median income for the area, as determined by the Secretary, with adjustment for family size.

(B) Applicability

The rent limitations under this paragraph shall apply to any eligible single-family property sold pursuant to paragraph (2)(B)(ii)(I) and to any multifamily housing property sold pursuant to paragraph (3).

(5) Preference for sales

When selling any eligible multifamily housing property or combinations of eligible residential properties, the Corporation shall give preference, among substantially similar offers, to the offer that would reserve the highest percentage of dwelling units for occupancy or purchase by very low-income families and

lower-income families and would retain such affordability for the longest term.

(6) Financing of sale

(A) Assistance by Corporation

(i) Sale price

The Corporation shall establish a market value for each eligible multifamily housing property. The Corporation shall sell eligible multifamily housing property at the net realizable market value. The Corporation may agree to sell eligible multifamily housing property at a price below the net realizable market value to the extent necessary to facilitate an expedited sale of such property and enable a public agency or nonprofit organization to comply with the lower-income occupancy requirements applicable to such property under paragraph (3). The Corporation may sell eligible single family property or eligible condominium property to qualifying households, nonprofit organizations, and public agencies without regard to any minimum sale price.

(ii) Purchase loan

The Corporation may provide a loan at market interest rates to the purchaser of eligible residential property for all or a portion of the purchase price, which loan shall be secured by a first or second mortgage on the property. The Corporation may provide such a loan at below market interest rates to the extent necessary to facilitate an expedited sale of eligible residential property and permit (I) a lower-income family to purchase an eligible single family property under paragraph (2); or (II) a public agency or nonprofit organization to comply with the lower-income occupancy requirements applicable to the purchase of an eligible residential property under paragraph (2) or (3). The Corporation shall provide such loan in a form which would permit its sale or transfer to a subsequent holder. In providing financing for combinations of eligible multifamily housing properties under this subsection, the Corporation may hold a participating share, including a subordinate participation. The Corporation shall periodically provide, to a wide range of minority- and women-owned businesses engaged in providing affordable housing and to nonprofit organizations, more than 50 percent of the control of which is held by 1 or more minority individuals, that are engaged in providing affordable housing, information that is sufficient to inform such businesses and organizations of the availability and terms of financing under this clause; such information may be provided directly, by notices published in periodicals and other publications that regularly provide information to such businesses or organizations, and through persons and organizations that regularly provide information or services to such businesses or organizations. For purposes of this clause, the terms “women-owned business” and “mi-

nority-owned business” have the meanings given such terms in subsection (r) of this section, and the term “minority” has the meaning given such term in section 1204(c)(3) of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989.

(B) Assistance by HUD

The Secretary shall take such action as may be necessary to expedite the processing of applications for assistance under section 202 of the Housing Act of 1959 [12 U.S.C. 1701q], the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.], title IV of the McKinney-Vento Homeless Assistance Act [42 U.S.C. 11361 et seq.], section 810⁵ of the Housing and Community Development Act of 1974 [12 U.S.C. 1706e], and the National Housing Act [12 U.S.C. 1701 et seq.] to enable any organization or individual to purchase eligible residential property.

(C) Assistance by FmHA

The Secretary of Agriculture shall take such actions as may be necessary to expedite the processing of applications for assistance under title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.] to enable any organization or individual to purchase eligible residential property.

(D) Exception to disposition rules

Of any amount which the Thrift Depositor Protection Oversight Board may require the Federal Home Loan Banks to invest in capital stock of the Funding Corporation under this subsection in excess of the \$1,000,000,000 amount referred to in paragraph (4), the amount which each Federal Home Loan Bank (or any successor to such Bank) shall invest shall be determined by the Thrift Depositor Protection Oversight Board by multiplying the excess amount by the percentage arrived at by dividing—

(A) the sum of the total assets (as of the most recent December 31) held by all Savings Association Insurance Fund members which are members of such Bank; by

(B) the sum of the total assets (as of such date) held by all Savings Association Insurance Fund members which are members of a Federal Home Loan Bank.

(6) Special provisions relating to maximum amount limitations

(A) In general

If the amount of any Federal Home Loan Bank's allocation under paragraph (5) exceeds the maximum amount applicable with respect to such Bank (in this paragraph referred to as a "deficient Bank") under paragraph (3) at the time of such determination

(in this paragraph referred to as the "excess amount")—

(II) the aggregate of the cumulative amounts invested under this subsection by all remaining Banks at such time.

(ii) Reallocation

If the allocation under this subparagraph results in a remaining Bank exceeding its maximum amount under paragraph (3), such excess amount shall be reallocated to the other remaining Bank in accordance with this subparagraph.

(C) Reimbursement procedure

(i) In general

A Bank on whose behalf stock is purchased under subparagraph (A)(i) shall make payments annually from amounts, if any, in its reserve account (as described in subparagraph (D)) to each Bank that made payments on its behalf until a full reimbursement has been completed. A full reimbursement shall require repayment of the excess amounts invested by other Banks plus interest which shall accrue at a rate equal to the annual average cost of

funds in the most recent year to all Federal Home Loan Banks and which shall begin to accrue 2 years after the investments under subparagraph (A)(i) are made.

(ii) Determination of amounts

The Thrift Depositor Protection Oversight Board shall annually determine the dollar amounts of such reimbursements by distributing the amount available for such reimbursements (at the time of such determination) from the reimbursing Bank to the Banks that made purchases on its behalf according to the shares of the reimbursing Bank's excess amount that the other Banks invested.

(ii) Limitation

The total amount placed in such reserve account in any year by any Bank shall not exceed an amount equal to 20 percent of the net earnings of such Bank for such year.

The Funding Corporation, with the approval of the Board of Directors of the Federal Deposit Insurance Corporation, shall assess against each Savings Association Insurance Fund member an assessment (in the same manner as assessments are assessed against such members by the Federal Deposit Insurance Corporation pursuant to section 1817 of this title) except that—

(2) Interest payments

The Funding Corporation shall pay the interest due on such obligations from funds obtained for such interest payments from the following sources:

In the final year in which the Federal home loan banks are required to make any payment to the Treasury under this subparagraph, if the dollar amount represented by 20.0 percent of the net earnings of the Federal home loan banks exceeds the remaining obligation of the Banks to the Treasury, the Finance Board shall reduce the percentage pro rata to a level sufficient to pay the remaining obligation.

(D) Proceeds from sale of assets

To the extent the amounts available pursuant to subparagraphs (A), (B), and (C) are insufficient to cover the amount of interest payments, the FSLIC Resolution Fund shall transfer to the Funding Corporation any net proceeds from the sale of assets received from the Resolution Trust Corporation, which shall be used by the Funding Corporation to pay such interest.
